

11) Old Water Reservoir - Was the Village Reservoir from the summer of 1965 to 1986 at which time development of a park began.

12) William O Barton Home - Built in 1917 by George Oler. Renovations are presently taking place but a lot of the original still remains. The property has out-buildings, fences, a root cellar, cistern, and shelterbelts.

13) Bonnie Lund Home - This home was built in 1934 by Adam Russell. He built a 2 room home and in 1940 Thomas Ogden bought this and joined another home on south (moved in).

14) W.T. Ogden Home - Built in 1919 by William Ogden. He built this home for \$15,000. The property still has out-buildings, a cistern, root cellar, and shelterbelt.

15) Terry Lund Home - Built in 1907 by Frank Coffin. The barn was built around the same time. There are outbuildings, fences, a cistern and shelterbelt on this property. Frank Coffin owned this property from 1906 - 1949.

16) Hardy Home - The original home was built in 1918. In 1935 it was replaced by the present home. Both homes were built by Raymond Hardy. The home has been added to over the years. There are outbuildings, fences, a cistern, and an irrigation ditch and shelterbelt. There is also an old cook car on this property.

17) Hardy Home - Built in 1918 by Raymond Hardy. When this home was built, the main floor was for the family and the second floor was for those who needed it. Still present on the property is the cistern, root cellar, outbuildings, fences and an irrigation ditch.
